Commissioner for Patents
Box Patent Application
Post Office Box 1450
Alexandria, VA 22313-1450

Sir:

The sequence listing in the application filed herewith is identical with that filed in Application Serial Number 09/682,769, filed October 17, 2001. In accordance with 37 CFR 1.821(e), please use the last filed computer readable form filed in that prior application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included with the specification of the instant application. That paper copy of the Sequence Listing and the computer readable form filed in the earlier application are identical.

Respectfully submitted,
